## **SB 2830 - HB 3020**

March 30, 2004

### **SUMMARY OF BILL:** Allows:

- licensed wineries to obtain a license for the retail sale of wine;
- anyone holding a winery license to obtain a retail license at no extra cost;
- a winery licensed pursuant to this bill to distribute wine only to a licensed wholesaler in the state. A wholesaler would be able to permit a winery to deliver its product directly to the retailer as long as the wholesaler includes the amounts delivered and sold for purposes of applicable taxes.

Restricts the sale of wine at a winery to only wine that is produced and bottled on the winery premises at the retail location.

### **ESTIMATED FISCAL IMPACT:**

**Increase State Revenues - Less than \$100,000**

**Increase Local Govt. Revenues - Less than \$100,000**

Estimate assumes:

- any additional revenue realized by state and local governments from the collection of applicable taxes would not be significant.
- wine offered for retail sale must be passed through the inventory of a licensed wholesaler for purposes of the collection of applicable taxes.
